

Letter From The President

Looking forward to a great year. First of all I, would like to welcome all of our new members who have joined our great Club over the last year. I am proud to be your new president, and I look forward to working with our members and all the organizations that make up the Salem County Sportsmen's Club during the upcoming year.

I believe we have the best club in South Jersey, thanks to all the volunteers that help with the daily maintenance. The beach this year has been enhanced with tons of white sand and the flower gardens have been recently mulched by a few volunteers. Due to all the help that the club receives we have been able to keep our dues family friendly.

Our goals of the club this year are to work on the long range plans of the grounds. This will mean having meetings on the forestry which is a great way to learn about the health of our land.

With all the growth in Salem/Gloucester County this year it almost seems impossible to go out and enjoy a few hours of downtime after a long week. We have opened the bar 6 days a week with new hours. You can also bring some friends to show off your pride in the Club. We will be serving hot meals and light snacks for your enjoyment without the wait time and overcrowding.

Please keep in touch with the Club to make sure you are on our E-Mail account for updates on events and happenings around the Club on a weekly basis.

Brad Holmes, President

SCSC Volunteer Initiative Launched - Seeking Member Volunteers

Thank a Club volunteer for most activities at the Club. Volunteering has been a longstanding tradition throughout the history of the Club. Volunteers have contributed their time, effort, vision and ideas to develop the Club we all know and appreciate today. The Club continues to thrive because of its volunteer members.

Members are asked to pay close attention to their emails from SCSC asking for volunteer turnouts. Currently the Club would like to increase its core regular volunteer members from 40 to 100 this year. Members should monitor their emails for specific events or call the office at 856-299-5588 to register to be individually notified of volunteer events at the Club. By registering the Club asks members to provide their name, cell phone number, and email.

A regularly scheduled volunteer event is every Tuesday morning 07:30 AM to Noon to perform routine operations at the Club. The next upcoming event that will need volunteers is the Member-Child Campout on June 10, 11, 12. For more information on volunteering at the Club contact Director Everett Sparks, everett.sparks1952@gmail.com for more information.

If you are already a member, please consider renewing through the Club.

Parent Child Campout

Bring your kids and your tents; Parent Child Campout will be June 10th -12th. We have organized several activities that are appropriate for kids of all ages.

The Annual Ray Davidson Fishing Tournament will be held on Saturday along with other opportunities to join in on the fun. Breakfast will be served in Club house Saturday and Sunday morning beginning at 0800, and dinner will be served Saturday night at 1800. The menu is to be determined, but will be delicious nonetheless. There will be a magic show following dinner and the fishing tournament awards are to be announced after the show.

Some of the other weekend activities include:

- * Tie dyeing of shirts (\$5.00) each on Saturday afternoon
- * Kayak lessons (free) on Saturday
- * Helicopter rides Sunday around 10:30 to 11:00 (\$20.00 per rider)
- * Boat rides will also be available Sunday for those who wish to hit the wide open seas.

There is plenty of cut wood available to light the nights with fire. Any questions or suggestions please call Bill Needham at 302-218-6900 or Brad Holmes at 856-628-0112. Don't forget to fill out the registration form.

From the Beach

The 2016 beach season is just around the corner. The lake will open May 28th, for weekends and holidays only till June 18th. Then it will be open 7 days a week, 11am-8pm through labor day.

Dust off the beach chairs, it's time to catch some sun!

A few things have been added this year. If you haven't already noticed, the beach has been replenished with white sand. We bring the shore to you! I hope everyone likes it. Also, a new sign board has been

put up with all the beach rules and upcoming events for the club. And speaking of beach rules, there are a couple of new ones. No one likes

rules but they are there for everyone's safety. Also new, we placed an outside clock above the snack bar order window. Mert & Marisa Coles will be operating the snack bar again this year. Please come out and support them. It's great food.

I hope everyone enjoys this year's beach season. Please be safe and have a great summer. Thank you.

For Your Information

Membership Applications

Children of members can apply for membership at any time. The parent and two sponsors must be a member in good standing for 3 years. Contact the office for more information.

Happy Hour

First Friday of every month. We **NEED** hosts for Happy Hour, if you are interested, please contact the office.

Membership Attendance Drawings

The name of an active member is drawn at each regular meeting. If that member is in attendance at that meeting, he or she will receive whatever amount is currently in the attendance fund. This amount increases \$25 (up to a maximum of \$500) each time a name of a member is drawn and not in attendance at the meeting.

Moving?

If you change your address, please notify the office to update the records. If you move, add the Salem County Sportsmen's Club to your list of people to notify.

Commemorative Walk

Commemorative Walk bricks are a caring gift and lasting way to remember a significant person or event in your family. Members can put an engraved brick in the Club's commemorative walk for family recognition or to memorialize a loved one. Bricks, with inscriptions, are available through the Club office or by calling Don Crist. The cost is still only \$100.

Club Meetings

Each year the SCSC strives to bring interesting and informative programs to its members at general meetings. Be sure to regularly check the club's website for news of club programs. Keep an eye on the newsletter for future programs. Remember, meetings are the second Wednesday and fourth Thursday of each month.

Scout Camping

All registered scout troops are welcome to use the Scout Area for no fee. We ask that leaders call the office in advance and register their troop so we don't have too many in the scout area. The Scout Area is primitive camping but great for working on badges. If your troop would like to do a service project for the Club or needs volunteer hours, we will find something appropriate for your age troop. Please call the office for more details.

Rentals

Rentals **MUST** be arranged through the office and approved by the Board of Directors. Any member wanting to use the Pole Barn or Picnic Grove that has a group of 15 or less, is more than welcome at any time. Any group over 15 people, **MUST** rent the facility. Rental forms are available from the office. Rentals can be made up to 18 months in advance. Contact Mert Coles at 856-299-5588 for more information.

Important!

1. Be sure that you carry your membership cards while you are on club property, anyone may ask to see it if you are not recognized.

2. Put your 2016 stickers on your rear-view mirror that you have received when paying your dues. This helps to distinguish members from trespassers and

could prevent you from being questioned by one of the directors.

3. Stickers are required to be on the back windshield or rear quarter window, contact the office if you have switched vehicles and no longer have the Club Shield on the rear of your car.

4. Speeding on club property is a very dangerous issue and members who choose to violate our no speeding policy will be dealt with accordingly.

5. Range badges are required to be worn on all ranges. Please be sure to have yours on while on the property.

Thanks and enjoy the Spring!
